Zip-a-dee-doo-dah, zip-a-dee-ay  
My, oh my, what a wonderful day  
Plenty of sunshine headin' my way  
Zip-a-dee-doo,dah, zip-a-dee-ay

Mister Bluebird's on my shoulder  
It's the truth, it's actu'l  
Ev'rything is satisfactu'l  
Zip-a-dee-doo-dah, zip-a-dee-ay  
Wonderful feeling, wonderful day,  
Wonderful feeling, it's a Dis-ney Day.

### Spoonful of sugar

Just a spoonful of sugar helps the medicine go  
down  
Medicine go down the medicine go down  
Just a spoonful of sugar helps the medicine go  
down  
In the most delightful way  
In the most delightful  
In the most delightful way.

### Supercalifragilisticexpialidocious!

It's Supercalifragilisticexpialidocious!  
Even though the sound of it  
Is something quite atrocious  
If you say it loud enough  
You'll always sound precocious  
Supercalifragilisticexpialidocious.

Um diddle iddle iddle um diddle ay

It's .....Supercalifragilisticexpialidocious!  
Even though the sound of it  
Is something quite atrocious.  
If you say it loud enough  
You'll always sound precocious  
Supercalifragilisticexpialidocious!  
Supercalifragilisticexpialidocious!

### Chim chiminey Chim chiminey

Chim chiminey Chim chiminey  
Chim chim cher-ee!  
A sweep is as lucky as lucky can be  
Chim chiminey chim chiminey  
Chom chim cher-oo!  
Good luck will rub off when  
I shake 'ands with you  
Or blow me a kiss and that's lucky too  
So blow me a kiss and that's lucky...

### Candle on the Water

I'll be your candle on the water  
My love for you will always burn  
I know you're lost and drifting  
But the clouds are lifting  
Don't give up you'll have somewhere to turn  
I'll be your candle on the water  
'Til ev'ry wave is warm and bright  
My soul is there beside you  
Let this candle guide you

Soon you'll see a golden stream of light  
A cold and friendless tide has found you  
Don't let the stormy darkness pull you down  
I'll paint a ray of hope around you  
Circiling in the air, lighted by a prayer...

I'll be your candle on the water  
This flame inside of me will grow  
Keep holding on you'll make it  
Here's my hand so take it  
Look for me, reaching out to show  
As sure as rivers flow  
I'll never let you go  
I'll never let you go  
I'll never let you go...

### **Bare Necessities**

Look for those bare necessities  
The simple bare necessities  
Forget about your worries and your strife  
I mean those bare necessities  
Old Mother Nature's recipes  
That brings the bare necessities of life.

### **Small World**

It's a world of laughter a world of tears  
It's a world of hopes and a world of fears  
There's so much that we share  
That it's time we're aware  
It's a small world after all.

It's a small world after all  
It's a small world after all  
It's a small world after all  
It's a world of laughter a world of tears  
A world of hopes and a world of fears

### **Can you feel the love tonight?**

And can you feel the love tonight  
It is where we are.  
It's enough for this wide-eyed wanderer  
That we got this far.  
And can you feel the love tonight  
How it's laid to rest  
It's enough to make kings and vagabonds  
Believe the very best

### **IT'S A DIS-NEY DAY!!!**

## Oliver Medley

### **Food glorious Food**

Food, glorious food! Hot sausage and mustard  
While we're in the mood, cold jelly and custard  
Pease pudding and saveloys, what next is the  
question?  
Rich gentlemen have it boys – in-di-gestion!  
Food glorious food! We're anxious to try it  
Three banquets a day, our favourite diet  
Just picture a great big steak, fried, roasted or  
stewed  
Oh food, wonderful food, marvellous food  
Glorious food!

Food, glorious food! What wouldn't we give for  
That extra bit more, that's all that we live for.  
Why should we be fated to do nothing but brood  
Oh! Food. Magical food, wonderful food, glorious  
food!

### **I'd do anything**

I'd do any-fing, for you dear any-fing  
For you mean everything to me  
I know that, I'll go anywhere  
For your smile, anywhere --  
For your smile, everywhere -- I'd see...

Would you climb a hill? Any-fing!  
Wear a daffodil? Any-fing!  
Leave me all your will? Any-fing!  
Even fight my Bill?

### **WHAT? FISTICUFFS?!**

I'd risk every-fing  
For one kiss – every-fing

Yes, I'd do any-fing... any-fing?!  
any-fing for you!

Yes, I'd do any-fing... any-fing?!  
any-fing for you!

### **Consider yourself**

Consider yourself at home  
Consider yourself one of the family  
We've taken to you so strong  
It's clear we're going to get along  
Consider yourself well in  
Consider yourself part of the furniture  
There isn't a lot to spare  
Who cares? Whatever we've got, we share

If it should chance to be  
We should see some 'arder days  
Empty larder days, why grouse?  
Always a chance we'll meet somebody to foot  
the bill  
Then the drinks are on the house!

Consider yourself our mate,  
We don't want to have, no fuss.  
For, after some consideration, we can state,  
Consider yourself, consider yourself, consider  
yourself, consider yourself, One of us!

### **Where is love?**

Where is love?  
Does it fall from skies above?  
Is it underneath the willow tree  
That I've been dreaming of?  
Where is she  
Who I close my eyes to see?  
Will I ever know the sweet hello  
That's meant for only me?

Who can say where she may hide?  
Must I travel far and wide?  
'Til I am beside the someone who  
I can mean something to  
Where, where is love?

Who can say where she may hide?  
Must I travel far and wide?  
'Til I am beside the someone who  
I can mean something to  
Where, where is love?

### **Who will buy?**

Who will buy this wonderful morning?

Such a sky you never did see!

Who will tie it up with a ribbon

And put it in a box for me?

So I could see it at my leisure, whenever things  
go wrong,

And I would keep it as a treasure, to last my  
whole life long.

Who will buy this wonderful feeling? I'm so high I  
swear I could fly.

Me, oh my! I don't want to lose it

There must be someone who will buy.

There'll never be a day so sunny,

It could not happen twice.

Where is the man with all the money?

It's cheap at half the price!

Who will buy this wonderful feeling?

I'm so high I swear I could fly.

Me, oh my! I don't want to lose it.

So what am I to do, to keep the sky so blue?

There must be someone who will buy.

Who will buy this wonderful feeling.

O-li-ver!

## Abba Medley

### **Waterloo**

My, my! At Waterloo, Napoleon did surrender  
Oh, yeah! And I have met my destiny in quite a  
similar way

The history book on the shelf, is always repeating  
itself

Waterloo, I was defeated you won the war,

Waterloo, Promise to love you forever more

Waterloo, Couldn't escape if I wanted to  
Waterloo, Knowing my fate is to be with you

So how could I ever refuse, I feel like I win when I  
lose...

Waterloo, Couldn't escape if I wanted to  
Waterloo, Knowing my fate is to be with you

Wo wo wo wo Waterloo, Knowing my fate is to  
be with you

Wo wo wo wo waterloo, Knowing my fate is to  
be with you

### **I have a dream**

I have a dream, a song to sing

To help me cope, with anything

If you see the wonder, of a fairy tale

You can see the future, even if you fail

I believe in angels, something good in everything  
I see

I believe in angels, when I know the time is right  
for me

I'll cross the stream, I have a dream

I have a dream, a fantasy

To help me through, reality

And my destination, makes it worth while

Pushing through the darkness, still another smile

I believe in angels, something good in everything  
I see

I believe in angels, When I know the time is right  
for me

I'll cross the stream, I have a dream

I'll cross the stream, I have a dream

### **Mama Mia!**

I've been cheated by you since I don't know  
when

So I made up my mind it must come to an end

Look at me now, will I ever learn?

I don't know how, but I suddenly lose control

There's a fire within my soul

Just one look and I can hear a bell ring

One more look and I forget everything.

Whoa

Mama mia, here I go again

My, my! How can I resist ya

Mama mia, does it show again

My, my! Just how much I missed ya

Yes, I've been broken hearted

Blue, since the day we parted

Why, why did I ever let you go?

Mama mia, now I really know

My, my I could never let you go

I've been angry and sad about the things that  
you do

I can't count all the times that I told you we're  
through

And when you go, when you slam the door  
I think you know that you won't be away too long  
You know that I'm not that strong  
Just one look and I can hear a bell ring  
One more look and I forget everything.  
Whoa

Mama mia, here I go again  
My, my! How can I resist ya  
Mama mia, does it show again  
My, my! Just how much I missed ya

Yes, I've been broken hearted, blue, since the day we parted  
Why, why did I ever let you go? Mama mia, now I really know  
My, my I could never let you go.  
Mama mia, now I really know, my, my I could never let you go  
I could never let you go, Mama mia! Yeah!

### **Thank you for the music!**

So we say thank you for the music, the songs we're singing  
Thanks for all the joy we're bringing  
Who can live without it? We ask with all honestly, what would life be?  
Without a song or a dance, where are we?  
So I say thank you for the music, for bringing it to me.  
  
So we say thank you for the music, the songs we're singing

Thanks for all the joy we're bringing  
Who could live without it? We ask in all honesty  
What would life be?  
Without a song or a dance where are we?  
So I say thank you for the music, for giving it to me;  
So we say thank you for the music, for giving it to me.

## Learning for life

### **Verse 1:**

Out on the school run, start of a brand-new day,  
Parents and children nothing much to say.

Out on the playground, children playing and  
having fun

Now you're at school, so many rules.

You will find that you have got what it takes.

You will see something within yourself.

Don't be blind you'll see the difference it makes,

And you come to realise, you're learning for life.

What did you do in school today

to make you feel proud?

And did somebody say that you should shout it  
aloud?

And did your teacher tell you

that you're reaching for the stars?

You'll be a better person you'll find out who you  
are.

***Reach for the top and never stop your learning  
for life.***

***Just aim so high you can touch the sky,  
you're learning for life.***

***You're learning for the future and learning for  
today.***

***You're burning – turning - learning for life.***

### **Verse 2:**

Morning assembly, each in their own sweet way.

So many children, so much to say.

Classroom assistants helping teacher to show the  
way,

So much to learn, which way to turn?

Search your soul and you will see what it means.

You will see something within yourself

Reach your goal and you can follow your dreams.

That is when you realise, your learning for life.

What did you do in school today

to make you feel proud?

And did somebody say that you should shout it  
aloud?

And did your teacher tell you

that you're reaching for the stars?

You'll be a better person, you'll find out who you  
are.

***Reach for the top and never stop, your learning  
for life.***

***Just aim so high you can touch the sky,***

***You're learning for life.***

***You're learning for the future and learning for  
today,***

***You're burning – turning – learning for life.***

We're learning for life. We are learning for life

Reach for the top and never stop your learning  
for life.

Just aim so high you can touch the sky, you're  
learning for life.

You're learning for the future and learning for  
today

You're burning- turning - burning and turning -  
learning for life Learning for life,

Learning for life. **Learning for life.**
