

Friday, 9th June 2023

Dear Parents and Carers,

I am writing to let you know about our arrangements for September and to inform you as to who your child's new class teacher and TA(s) will be. Please see the table overleaf for further information.

Staffing Updates

There are several staffing changes to make you aware of as we head towards the end of the school year.

Year 1 and 2 Team leader Mrs. Norton and Year 6 Hippos class teacher Miss Garnett will both be leaving Warden House at the end of the school year to begin new adventures. We wish both members of staff all the very best for their futures and thank them both for all of their hard work and dedication to the children at Warden House during their time with us. We wish them well with the next part of their professional lives and hope that they keep in touch!

Following the news of Mrs. Norton and Miss Garnett's departures, we are delighted that we are able to offer more permanent roles to Mrs. Cleary and Miss Woods who joined us as new teachers in September to cover Miss Allsopp and Mrs. Hockley's maternity leave. Mrs. Hockley has already returned to work and Miss Allsopp will return to work ready for the start of the new school year.

Miss Allsopp will be taking over the role of Year 1 and 2 Team Leader from Mrs. Norton on her return in September. Miss Allsopp is also getting married in the summer holiday and will return to school as Mrs. Marcks. We wish her and her fiancé all the best for a fantastic day!

Exhibition Evening

Our annual '*Exhibition Evening*' takes place this year on **Tuesday 4th July** between **4:30pm** and **6pm**. '*Exhibition Evening*' is always a lovely event where each teacher will open up their classroom to share a range of high-quality learning outcomes from across the year. Please do come along to visit our classrooms and celebrate our children's learning and all they have achieved. Please do visit our other classes too – and take some time to call in to see your child's new year group and say "hello" to their teacher for next year to find out what they will be learning about.

Yours faithfully

Mr Rob Hackett
Headteacher
