## Year 1 Bears

Dear Parent/Carer

Welcome to Year 1! We are so excited to welcome you all back after a lovely summer holiday.

We are learning about lots of exciting things this term including Science (humans and other animals and seasons), DT (fruit and vegetables) and Geography (our local area).

Our PE days are **Monday and Friday**. Please ensure your child is wearing the correct house colour top, black or navy bottoms, a jumper and trainers.

Please ensure your child is wearing the correct **named uniform**, including appropriate footwear. Please make sure you send your child to school with a full, named water bottle (containing only water), a named hat and sun cream (where appropriate). A gentle reminder that children can wear a simple pair of earrings but any other jewellery or watches are not permitted.

It is vital that you **read at home daily** with your child in order to help them progress with their learning. Children will be bringing home a phoned phonics book and a sharing book of their choice. More information regarding reading at home can be found inside your child's reading record or on the school website.

It is important that your child **does not** bring toys into school. We appreciate your support with this.

If you have any questions, concerns or worries please come speak to the class teacher.

Yours faithfully,

Miss Glanville and Mrs Coomer
