## Local Artists Week

Dear Parents and Carers

As you know, we love creative Arts at Warden House! This was evidenced last year when we were awarded the prestigious Artsmark at Gold level. Next week, we have some exciting and “irresistible” activities planned for our children run by some fantastic local artists.

### Dance and Drumming Workshops

On Tuesday 17 October, children in Years R, 1, 2 and 3 will be taking part in dance workshops run by local dance teacher Kayleigh Wilson from Dance Point.

On the same day, children in years 4, 5 and 6 will be taking part in drumming workshops run by Rich from Rich Rhythms.

### Whole School Art Day

On Wednesday 18 October, we have local artist Nova Marshall coming into work with us on a whole school art installation which will brighten up our atrium space outside our Year 3,4 and 5 classrooms. All children will be involved in creating this art piece, which will be inspired by their local area, Deal seafront. We are linking this with a very important conversation that is prevalent in all of our lives right now; climate change, specifically pollution in our oceans. Something we have touched on with our Artist of the Term initiative.

The installation will be created using recycled materials and every child will have a part to play in creating something to be added to the final piece.

**To make this come to life, we need your help!**

Please send in your **clean RECYCLING**, we need:

- Cardboard/cereal boxes/packaging boxes
- Plastic pots/plastic bottles/bottle tops/milk bottles
- Recycled bubble wrap/packaging paper
- Cardboard tubes – toilet rolls, kitchen rolls
- Plastic bags
- Newspapers/magazines

We believe this will be a wonderfully creative week for all of our children and the perfect way to end what has been a very busy term!

Thank you for your continued support. **Please send in your recycling in to class as soon as you can, we start our project Wednesday morning!**

Yours faithfully

Miss Mann  
Art Coordinator
