

Dear Parents/ Carers,

Welcome back to term 3! Below are a few messages and reminders:

PE

PE is on Tuesdays with swimming on a Thursday. Please ensure children have PE kit on these days including **navy blue** shorts/joggers and team coloured top. Tops with logos including football shirts are not permitted. Please make sure children come to school with their items for swimming (swim shorts for boys, swimming costumes for girls, towel). Children may bring goggles/swim hats if they wish.

Homework

Please ensure your children read every day at home and practise their spellings ready for a test on Fridays. Children should also access Times Table Rockstars and Ed Shed to practice their times tables and spellings.

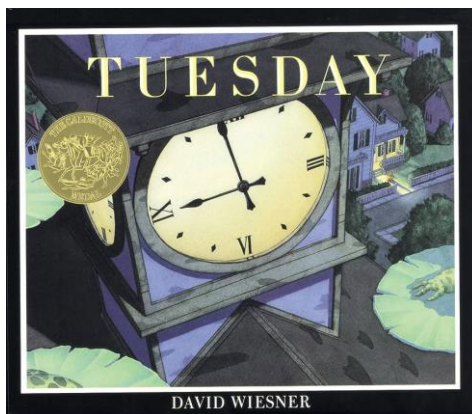

English

This term the children will be creating poetry with inspiration from 'The sound collector'. We will also be focusing on the text 'Tuesday' where the children will develop their knowledge of the features of newspaper reports in order to write their own.

Year 3

Starfish Class

Spring 1

Maths

The children will be extending their knowledge of multiplication and division including exchanging and remainders. They will also learn about length and perimeter, mass and capacity and fractions.

Science

This term the children will be learning about forces and magnets. They will gain knowledge of push and pulls, magnet strength and magnetic poles.

Computing

This term we will be learning about networks and the internet. We will focus on what a network is and how the internet works.

RE

The children will be learning what people believe about God. They discuss their own ideas and that of others.

Art

The children will study the artist Henri Rousseau. They will learn what Post-Impressionist art is and how to build towards creating their own post-impressionist work.

French

The children will be learning about instruments. By the end of the unit pupils will be able to recognise, recall, remember and spell up to 10 instruments with their definite article.

PE

This term the children will be taught football and swimming. They will learn control, dribbling, passing game play.

PSHE

This term we will be discussing our dreams and goals. The children will learn about resilience, a positive attitude and working with others.

Music

This term the children will be learning about pentatonic melodies and composition with the theme of Chinese New Year.
