2. Where a child is eligible for a place at two or more of the nominated schools, they will be allocated a place at whichever of these is the highest ranked preference.
3. Where a child is not eligible for a place at any of the nominated schools, the child will be allocated a place at the nearest appropriate school with a vacancy.

- 
- You can only appeal to a school you have nominated on your child's SCAF form
 - Parents must confirm their acceptance of the school offered
 - If you are refused a place at your preferred school you can request to be placed on a waiting list or could appeal against the decision

How PESE Test Works

- Takes place at Warden House on Thursday 12 September 2024
- The current test was introduced in 2015 produced by Granada Learning Assessment
- No Practice test – just practice questions
- English and Maths Test in multiple choice format (c.60 minutes plus admin time, two separate sections each with introductory practice items, English first);
- Reasoning Test in multiple choice format (c.60 minutes plus admin time, one Verbal-Reasoning section, one non-verbal reasoning and one spacial reasoning test.
- Writing exercise 40 mins

Non- Verbal + Spatial Reasoning

<p>11</p>  <p>↑ ← ↓ →</p>	 <p>a b c d e</p>
<p>12</p> 	 <p>a b c d e</p>

Verbal Reasoning

This tests the children's ability to reason with words and language

Answer: **GO**

If the code for FOOT is **ENNS**, what is the code for
TOE?

Answer: **SND**

Mathematics

This test is similar to the end of Year 6 tests, however the answers are multiple-choice.

The prominent difference is that questions will push for the higher ability to calculate and reason.

Writing

This test is a short writing activity under test conditions. This test will only be looked at where a child's test scores are just below the threshold for grammar selection. This will not be marked and will not affect your child's standardised score.

To be selected as suitable for grammar school:

- In 2022 a child needed to score an aggregate of over 324 in all tests to be assessed as grammar.
- The threshold for grammar selection was 108 on each test.
- Please note: this is different to our internal CAT tests where the grammar threshold would be between 110-120 based on the older pre-2015 tests.
- If your child falls just below the threshold, and the Headteacher (in consultation with class teachers) decides to make an appeal, their writing task will be considered as further evidence alongside work in school books.

Access Arrangements

- Some children may be entitled to access arrangements to help them access the Kent Test or Dover Grammar Tests.
- If you feel that your child may need special arrangements to help them access the Kent Test, please contact our Assistant Headteacher, Mrs. Lynne Moore by Friday 14th June to discuss this further.
- Access arrangement for the Dover Grammar tests **MUST** be discussed by the parents/carers with the individual Grammar school.

- Ensure you look as closely as is possible at all the schools you are interested in, if you are interested in Dover Boys or Girls, enrol to take their entrance tests. Some schools, like Dover Girls Grammar are organising tours this term.
- Remember, the decision is yours, although you must involve your child in the discussions and hear their opinions.

Finally...

This can be a potentially pressure laden time for you and your child.

Use our advice and guidance, talk to us and one another about the issues.

When we visit our Year 7 children, children are always well settled and enjoy the new chapter in their education!
