

Dear Parents/ Carers,

Welcome back to Term 6. We hope you all had a happy and relaxing half term break. **PE** will be on Monday and Tuesday, and will take place mainly outside. Swimming will be on Mondays starting from 10.6.24. Please send children in appropriate clothing and footwear on PE days. Earrings should either be removed or taped for these lessons.

**Homework expectations:**

- 30 minutes maths or topic (given out on Friday and due in the following Wednesday)
- 30 minutes English or topic (given out on Friday and due in the following Wednesday)
- Daily reading.
- 10 minutes of TTRS per week in Garage mode to develop maths fluency.
- Spelling Shed games/ spelling practise each week ahead of weekly Friday spelling tests.

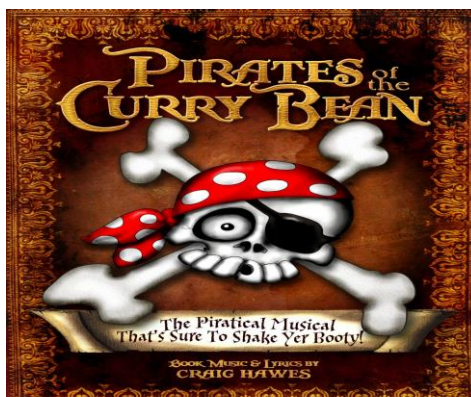

Thank you for your continued support,

Mrs. Bristow, Mrs. Orchard and Mrs. Creed.

### English

This term we will be researching and investigating significant aspects from the decades of the 20<sup>th</sup> century. Year 6 writing and grammatical features will also be applied to the children's independent pieces of writing and they will also focus on their presentation and organisation of written work.

# Pandas

### Maths

Investigating real life problems through project work. These projects provide an opportunity to revisit many of the skills and curriculum content covered both in Year 6 and also the rest of Key Stage 2. This gives pupils the opportunity to ensure any possible gaps in understanding are addressed before they move on to secondary school.

### Design and Technology

This term we will be designing, making and evaluating waistcoats. This will incorporate various sticking skills and techniques associated with garment making.

### Y6 Production

Pirates of the Curry Bean!

We will be rehearsing and performing this musical extravaganza at the end of Term 6. The children will develop an understanding of stage directions and placement; they will learn cues for themselves and others; they will learn their parts off by heart and develop their confidence and performance skills on stage. This musical is sure to get them and you to 'shake yer booty!'

### Religious Education

This term, children will investigate 'Green Religion' – how and why should religious communities do more to care for the Earth?

### Music

This term the children will compose and perform compositions linked to the theme of a production. They will also explore various musical styles and techniques through the medium of pop art.

### PSHE

This term's PSHE topic is 'Changing Me.' The children will further develop their knowledge and understanding of physical and emotional changes that they may experience at this stage of their development and as they become adults. They will also explore the concept of positive and negative relationships and the behaviour that goes with this.

### PE

This term, the children will be participating in Swimming and Athletics lessons. They will recap and further develop their techniques and skills in both sports.

### French

In our French lessons the children will further develop their vocabulary by learning within the topic of 'Me in the World'. The children will develop their French speaking, listening and reading skills.

### Science

This term we will learn about habitats and develop scientific investigative and reasoning skills through this topic.
