

Dear Parents/ Carers,

Below are just a few reminders for this term:

Reading

A gentle reminder that children are expected to read daily at home. Children get a new phonics book every Thursday. Please send their yellow reading record, phonics book and sharing book into school each day. It is the children's responsibility to change their sharing book if they need to.

Water bottles

As the weather gets warmer please ensure your child has a water bottle every day. We will refill bottles throughout the day.

Uniforms

We would like all children to take pride in their school uniform. Children are expected to come into school in appropriate school uniform each day, wearing sensible black shoes. Please do ensure children do not wear jewellery to school for health and safety reasons. An exception is made for small stud earrings in pierced ears and small objects of religious significance. Please ensure children are provided with a waterproof coat. Please ensure your child has a sun hat and sun cream. Please do not send your child into school with sunglasses.

PE

Our PE days are Monday and Friday's, children should wear PE kit with appropriate shoes on these days. On these days any studs should be removed or covered up with plasters/ medical tape to prevent injuries.

Best wishes,

Mrs. Bailey, Mrs. Fagg and Ms. Newton

English & Phonics

In English we will be writing acrostic poems about the seaside. We will learn the features of acrostic poetry and read a variety of acrostic poems. Following our trip to the seaside we will write a recount of our trip. Following the Phonics Screen Check in Week 2 we will continue to teach Phase 5 graphemes and tricky words.

Computing

In Computing this term, we are learning how to stay safe online. Children will be taught what the internet is and how it can be used safely.

RE

This term we will be investigating the importance of taking care of others from different world views.

Music

This term we will be exploring vocal and body sounds. We will be learning that music can be used to represent an environment.

Ofters

Term 6

Year 1

Geography

This term we will be exploring what it is like to live in Shanghai. We will learn the names and locations of the continents and begin to identify physical and human features of a non-European country. Children will then compare our own local area to Shanghai.

PE

Children will be taught athletics in preparation for sports day. We will be practicing throwing, jumping and catching as well as coordination when running.

Maths

In Maths this term, we are learning place value to 100, money and time.

Science

In Science this term we will be observing seasonal changes, exploring the weather and learn how the length of day changes in throughout the year.

Art

This term we will be exploring aboriginal art. We will learn different techniques to create our own final piece of art work including dot printing and brush strokes. Children will also create their own clay model.

PSHE

In PSHE we will be learning about changes. We will discuss the changes we have gone through from birth to now. We will discuss boys and girls bodies and learn the correct names for our body parts.
