

Dear Parents/Carers,

Welcome back to Term 6. We hope you have all had a lovely half term and you are ready to finish the year with hard work and lots of fun!

Our PE days are still Mondays and Thursdays (the children will need outdoor PE kits for both days). Could you please ensure your child has a hat and sun cream each day for the hot weather.

Homework will continue to be sent home on Fridays. This will consist of spellings and times tables. **Reading books should also be read daily for a minimum of 20 minutes. Please can the reading books be signed and dated every time your child has read.**

Thank you for your support,

Mrs. Grant, Mrs. McDonald, Mrs. Creed, Ms. Knowles and Miss Fox

English

During term 6 we will be reading Kensuke's Kingdom by Michael Morpurgo.

We will begin the term looking at playscripts before moving on to language skills based on our book.

We will end the year looking at a beautiful digital Literacy story – Taking Flight

French

Our focus this term will be:

Olympics

We will be able to name 10 Olympic sports. We will look at gendered nouns and the changes required when describing Olympians.

RE

In RE this term, we will be asking the question:

Does the language of scripture matter?

We will be exploring the ancient languages of scripture and investigating the importance to many believers today.

PSHE

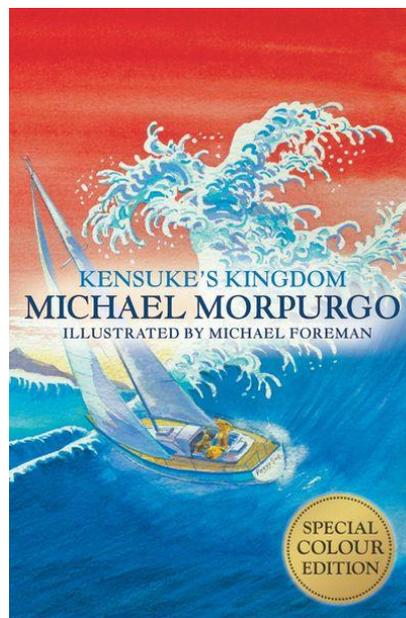

We are learning all about:

Changing Me

Please refer to the letter sent home and the school website regarding this topic.

Year 4

Seahorses Class

DT

This term will be looking at:

Slingshot cars

The children will make their own car, taking into account their design with a focus on air resistance to allow it to travel as far as possible.

History

This term will be looking at

The Mayans

We will find out about the key periods of the Ancient Maya civilisation. We will also describe their beliefs and find out about the features of their cities.

Maths

In Maths this term, we will work on time, shape and statistics as well as position and direction.

It's going to be a busy term but we are all ready for the challenge!

Science

We will look at:

Sound and Vibrations

As part of this we will learn how sounds are made, how materials can be used as insulators and make links back to pitch and volume within music.

Music

The theme for Music this term will be the **Carribbean**

We will learn about the history and features of Calypso music.

PE

Both of our lessons this term will be outside. We will be participating in athletics and rounders and the children will compete in running races, obstacle course and much more.
