

## Dear Parents and Carers,

As another week has flown by, we take a moment to look back and celebrate the wonderful achievements happening across the school. On Tuesday, Year 6 represented Warden House at a maths competition held at Sir Roger Manwood's School. The children thoroughly enjoyed the opportunity to compete with other local schools and were fantastic role models for our Warden House community.

Children have really enjoyed the sunshine this week, as it has given them lots of opportunities to engage with our OPAL activities at lunchtime. They have particularly enjoyed playing in the sandpit and climbing and building dens with crates in our exploratory area. Please note that this equipment is only to be used at lunchtime. We kindly ask that, at the end of the school day, children do not touch the equipment so that we can keep it safe and organised for the following day.

We are very fortunate to have Team Theme join us on Tuesdays. The children are thoroughly enjoying their P.E. lessons with Coach Perry, who is teaching them a variety of sporting skills alongside class teachers.

Morning arrival time is an important part of the school day. Teachers need this time to welcome the children, help them settle, and ensure that classroom routines begin smoothly and safely. For this reason, teachers cannot hold individual conversations at the classroom door during morning drop-off. Adults should also not enter the classroom, in line with our safeguarding procedures.

If you have a message or information that needs to reach your child's teacher, please contact the school office, who will be happy to pass it on promptly. You are also welcome to speak with teachers at the end of the school day, once the children have been safely dismissed. Thank you for helping us maintain a calm, focused start to the day and for supporting the smooth running of our school.

Have a lovely weekend.

Mrs Cooper

Year 2

## Book Recommendation

This week's book recommendation comes from Toby in Year 6

### Book: Wonder by R.J.Palacio

"This book is good because it has a really great cliffhanger in it and different character perspectives." It is recommended for children in years 5 and 6.
