

Dear Parents and Carers,

It has been great to welcome the children back to school after their Easter break. The children have settled back into school life well, and it has been wonderful to see some fantastic learning taking place around the school.

We have lots to look forward to over this summer term and, as always, we are so fortunate to have such a wonderful PTFA who support the children of Warden House. This week, some of the team have been working on helping us develop our woodland area and OPAL resources. They have been working hard on building a Poly tunnel for the children, which is going to be a fantastic development, enabling us to grow more fruit and vegetables.

Fab Friday starts on 1st May, when the PTFA will be selling ice-lollies outside the school at the end of the day.

A huge thank you to the Foodbank, Deal WithIt and Leaps & Bounds for their food donations this week. Please remember, you can donate food to the Foodbank at the school office.

Bees and Elephants had a great first swimming session this week at Duke of York school. It is really important for children to gain this vital skill, and we are looking forward to seeing their progress this term.

With the weather getting warmer, please can you ensure you apply sun cream to your child before they come to school and that they have a hat if needed.

Mrs Cooper
