

Dear Parents and Carers,

It has been a great first week back. It is always lovely to see the children's smiling faces coming through the gate in the morning, even when it is pouring with rain! Hopefully, today's sunshine will continue into next week.

We began the week with a visit from Peter Hooper from Bold As, who spent time talking to the children about learning brass instruments. Year 5 were also able to demonstrate their wonderful talents following all of their hard work this year. There will be an assembly on the 7th July to celebrate their achievements, and parents will be invited to attend. More information about this will be sent out next week.

Next week, Year 6 will be heading to Creed Outdoor Learning Centre for their residential trip. We are particularly excited this year that all of our Year 6 children will be attending. It promises to be a fun-filled week of activities, including high ropes, archery, team-building games and, of course, lots of songs around the campfire.

Today, our School Council representatives are attending the Trust Eco Conference, where they will meet Tristan Osborne MP, Global Action Plan and Nova Marshall. We are incredibly proud of the work they have been doing on their eco project; *How We Compost*. As part of the conference, the children will be presenting their project to other schools and special guests. We look forward to sharing more about this with you next week.

Have a lovely weekend

Zoe Cooper

Book Recommendation

This week's book recommendation comes from children in Year 4

Book: The Tree House Series by Andy Griffiths & Terry Denton

"I really enjoy reading these books because the characters go on lots and lots of adventures. I like that these books have lots of pages." Anna

Book: Matilda by Roald Dahl

"This books has lots of adjectives and you learn a lot of new cool words. It is much better than the film" Sophia
