

Weekly Newsletter: Friday 4th September 2026

Dear Parents and Carers

Welcome back to the new academic year! We hope you had a lovely summer. What a fantastic first three days we have had. It was wonderful to see the children smiling as they came through the school gates on Wednesday, dressed smartly in their school uniform.

We began the week with a welcome-back assembly to celebrate our new school values, which were chosen by the children at the end of last year, led by our School Council.

The children chose the following values: **Kindness, Curiosity, Respect, Responsibility and Resilience**. Our value for this term is **Responsibility**.

Over the year, the children will be delving deeper into these values, thinking about how we demonstrate them at school and in our everyday lives. We will also celebrate those children who go above and beyond in demonstrating our values during our Values Assemblies.

A huge thank you for your patience when entering the school site this week. We are very excited that our new Arts Community building is being created, but this does come with some slight disruption. We are hoping that the normal pathway will reopen in the next few weeks and, in the meantime, we will continue to make adaptations where necessary.

You might have noticed that, over the summer, a new structure has been built in our Forest School. This will be used during the children's Forest School sessions, which they will access throughout the year.

Our PTFA are an amazing group of people who care so deeply about the children at Warden House, and this new shelter is all down to them. As well as funding it, they even built it themselves to help keep costs down. A huge thank you to Maisie in Badgers, who helped her dad, Anthony, build our new shelter during the summer holidays.

Have a lovely weekend.

Zoe Cooper

Dates for your diary

- ❖ After School Club/Activities - from Monday 7th September
- ❖ Reception Start Full Time - Monday 7th September
- ❖ Year 6 Kent Test - Thursday 10th September
- ❖ Year 6 Grammar School Tests - Saturday 12th September
- ❖ Year 3 Swimming - Monday 14th September

Attendance

Whole school

95.16%

Book Recommendation

This week's book recommendation comes from Korben in Year 6

Book: Rat Burger by David Walliams

"This book is really, really funny, I enjoyed reading it a lot. The story is about a boy at school who finds out that his burger is actually a rat rather than made of meat!!!"
