Dear Parents and Carers

What a busy first week back it has been, filled with fantastic learning opportunities for our children! There has been a real buzz around the school as children have begun reading their new class books. This year we have invested in some of new high quality texts as part of our immersion into Take One Book, a research informed approach to the teaching of reading which enables our children to take part in talk-based explorations to build a deep understanding of the text.

As we continue to celebrate the National Year of Reading, children will be visiting the library again this term to update their class libraries and enjoy a book. Our very own school library is currently having a creative makeover which we will be able to reveal in the coming weeks when we reopen it officially. The PTFA have also donated £500 to help make it even more special for the children to enjoy. Watch this space for further updates.

Last week, Ant Haslett, one of our PTFA members was presented with this year's Coyston Cup Award for his outstanding contributions to our outdoor area. We are grateful for everything he does for our children alongside our other fantastic PTFA members.

You will have seen that tickets have gone on sale for our relaunched annual firework display. It is set to be a fantastic event led by the PTFA. We hope as many of the community can attend this well-loved event. Make sure you secure your tickets early to avoid disappointment.

Have a lovely weekend.

Zoe Cooper

Headteacher

Dates for your diary

- ❖ Year 6 Grammar School Tests – Saturday 12th September
- ❖ Year 3 Swimming - Monday 14th September
- ❖ Reception Phonics Workshop - Monday 21st September

Book Recommendation

This week's book recommendation comes from Alex in Year 5

Book: The Ice Monster by David Walliams "I really enjoyed this book because of the great description of the woolly mammoth and the funny pictures. I read this book in Year 2 but still read it again and again"
