Weekly Newsletter: Friday 16th October 2026

Dear Parents and Carers,

We cannot quite believe how quickly this term has flown by! We have so much to celebrate and be proud of as a school. The children have worked incredibly hard and shown real commitment to doing their very best. We hope you enjoyed the opportunity to hear about the progress they have been making in their learning during parents' evening.

Trips and visits this term have been a huge success. Thank you to the parents and carers who have been able to support us with these experiences. We are committed to ensuring that every child benefits from a wide range of enriching experiences throughout the year, including regular trips and visits that extend learning beyond the classroom. We have also received some lovely feedback from members of the public about how wonderfully our children have represented Warden House while out on their visits. We are incredibly proud of them!

You will have received an email about the relaunch of ClassDojo, which is already being used in Reception to celebrate children's learning. We are asking all parents and carers to sign up to the platform. Over the course of next term, staff will begin using ClassDojo to share highlights of children's learning, celebrate achievements and communicate important reminders. We hope this will provide another positive way to keep you connected with school life.

ClassDojo

You may have noticed that we are reducing the number of photographs shared on our social media pages in which children's faces are clearly identifiable. This is a considered step to further strengthen our approach to online safeguarding, recognising the increasing risks associated with images being shared, misused or digitally altered without permission. We remain committed to celebrating the wonderful experiences and achievements of our children while being mindful of their privacy and digital safety. Thank you for your understanding and support as we continue to respond to the challenges of an ever-changing digital world.

We wish the children a fantastic half term and look forward to seeing everyone back at school on Monday 2nd November.

Zoe Cooper
Headteacher

Book Recommendation

This week's book recommendation comes from Ivie in Year 1

Book: The Very Hungry Worry Monster by Rosie Greening
"I liked The Very Hungry Worry Monster because the monster was funny. I liked how it eats worries and helps children feel better".
