Weekly Newsletter: Friday 6th November 2026

Dear Parents and Carers,

It has been wonderful to see the children back at school this week. They have started the new term with such enthusiasm, and we are really looking forward to the exciting weeks ahead.

We kicked off the week with an assembly celebrating the school poem that the children wrote last half term as part of National Poetry Day. Each year group contributed one line to the poem, bringing together the children's creativity to create a whole-school piece of writing.

"Our School is very special
It's the coolest place to be
Our learning is fantastic
We share at school and we are kind and positive
It is bright and brilliant; the best place to learn
Together we dream, together we grow, with kindness and laughter wherever we go!
I love learning and making new friends
Learning, learning, maths is fun, playing on our field, we are number one!
We are curious, creative and kind and we love to explore and expand our minds
Expand your mind and feel very kind, at a school that's the best, better than the rest
Warden House, like a burst of golden sunlight, it brightens up our day.
We feel fire in our bellies, excited to learn, explore and understand
It's more than learning; it's more than walls. It's a place for everyone to discover them all.
Let the sparkle within us shine"

We are very excited about our Firework Display on Saturday! Tickets are available to purchase online or on the night at the entrance. If you fancy some fresh air the following morning, we would be very grateful for any volunteers who could spare some time to help with the clear-up on Sunday from 9am. Any support would be greatly appreciated!

A reminder that whole school individual photos are next week.

Have a lovely weekend

Book Recommendation

This week's book recommendation comes from Hattie in Reception

Book: Room On A Broom by Julia Donaldson
"I like this book because the witch rides around on a broom with her cat and other friendly animals. It is very funny!"
