

## Early Years Foundation Stage Term: 1

### What are we learning this term?

To start with this term we are learning all about Warden House and the routines here with the focus of settling the children in and creating excitement to come to school.

As a term topic we are learning all about the children in our 'All about me' topic. We will be exploring what we all look like and the similarities and differences between us. Through our use of descriptions and self-reflections we will be painting self-portraits and creating colleges of our selves. As well as learning about our physical features we are also going to learn the children's likes and dislikes, about their families, any hobbies and so forth.

### Our Vision Wheel:

Determined  
Independent  
Responsible

Positive  
Partners  
Successful

### Key vocabulary for this term

- Myself
- I
- He
- She

### What are we learning in maths?

- We will begin to become familiar with numbers in our surroundings.
- We will begin to start counting to 10.
- We will learn to count to 20.
