

### Activity 1

Draw your own copy of the picture. Use felt tips to try and match the patterns and colours.

Label all the objects you can see in the picture.

### Activity 2

Describe each object that you have labelled in activity one using one or two adjectives for each item.

### Activity 3

Matisse was French. Learn the numbers from at least one to ten in French?

### Activity 4

Matisse's wife had a hat shop.

Design a hat for everyone in your family.

**TAKE ONE PICTURE**  
'Painter's Family' by Henri Matisse

Year 1

### Activity 5

Matisse was very good at paper cut outs. Draw round your families' hands, cut them out and create a picture. What other paper cut outs can you do?

If you don't have glue you can make some using this guide: [how to make flour glue](#).

### Activity 6

This picture was painted in 1911. How many years ago was that?

Clue - use your number bonds and count in 10's  
How many other Maths problems can you make using the picture and your research about Matisse?

### Activity 7

The chequers board in the painting is black and white. Create a black and white pattern.

### Activity 8

Create a picture of your family altogether in your favourite room.

What will you all be doing?

Can you use different media e.g. paint, pastels, collage, crayons or even a mixture of these.

### Activity 9

Look at the clothes and discuss how different they are to the clothes you are wearing.

Design your own outfit that you could wear if you were in the painting.

### Activity 10

Create a final piece of their own art work using any media of choice, inspired by Matisse's 'Painter's Family'

Children to photograph their work and upload to the gallery.
