# Hello

3rd May 2022

We hope that everyone enjoyed the Easter break!

Thank you to all those who supported the Easter Egg Hunt and made it such a success. We raised £713.75 in total which is fantastic.

The PTFA have lots of exciting things planned for the rest of the school year, which we wanted to tell you a little about.

Last week we organised the first Fab Friday, selling ice lollies after school. Volunteer depending, we will run this weekly throughout terms 5 and 6.

18th May is National Numeracy Day and 13th June is Warden House's own Maths Day. Following on from the success of our author visits, the PTFA would like to support numeracy and maths in the school through fun by arranging a mathematician to perform three 'Magic of Maths' shows across the school. These entertaining shows can be enjoyed by children who love maths and those who find it more of a struggle.

To raise funds for the mathematician in May we will be running our first 'Small Change Challenge'. Every class will have a jar, and we are asking the pupils to help fill the class jar by bringing in any spare change. There will be a class prize for the class filling the jar first, and for the class with the highest amount. We are asking local finance companies to consider supporting this fundraising through donations or matched funding. If you work for such a company and could help us secure this help, please do contact us.

On 17th June we will be holding Mr Chisnell's quiz night. Please organise teams with other parents/carers/friends, etc. Around 6-8 people is an ideal size. Tickets are available via the school office and should be purchased in advance. We hope it will be a really great night!

There are still spaces in the Deal Dinosaur 10k race, if anyone would like to take part as a fundraiser for Warden House PTFA. This is promising to be a fun event for participations and spectators alike.

In term 6 we will be arranging the summer fair, and are already excited about the opportunity to organise this after its absence over the past two summers. We already have some ideas in the pipeline, but would welcome more suggestions and, of course, if anyone can help run a stall for a few hours on the day we would be really grateful.

## Dinosaur 10k

**Do you love running?**  
**Need a race to motivate you to train?**

If you are a proud parent, super staff member, cracking carer, grandparent with gumption or anyone else connected to the school community and are keen to fund raise for Warden House PTFA then we need you.

The Deal Dinosaur 10k takes place for the 40th time on 24th July 2022. The race starts along the seafront follows a course to Kingsdown. It's set to be an incredible event and is an amazing opportunity to raise funds for the school and for participants and spectators to have a great day. The PTFA are willing to pay the entry fee for any eager fundraisers. Please do not hesitate to contact us if you are interested.
