

WELCOME BACK!

from the PTFA !

Monday 12th September 2022

We are keeping this brief as everyone is busy settling back into the school routine. We hope everyone in the school community has enjoyed the summer holidays and is looking forward to what we hope will be another incredible year at Warden House.

The PTFA had a fantastic year last year and we really want to make this next academic year even more successful.

On this coming Wednesday (14.09.22) we are holding another **clothes recycling day**, collecting usable school uniform, coats and wellies boots with which we will hold a recycling event. Other wearable clothes will also be collected, paired shoes and bags for the Rag Bag recycling scheme. Please separate uniform, wellies and coats from other clothing to help us out.

If anyone has a working **smart phone** they could donate to the PTFA we would be very grateful as it would mean we could start taking card payments.

We are very excited to be organising the Warden House Community **Fireworks** Event this year! As well as being a fantastic community event, it enables us to raise much-needed funds for the school. If you have ever thought about supporting the PTFA or think that you could offer a few hours then please get in contact with us. Without help, support and volunteers the event won't be a success.

Towards the end of the year we are looking forward to again running our **Christmas fair**.

We would also like to create a wish list of things that the PTFA could work towards providing for the school. If you have any ideas or can offer support then do come along to an informal online **meeting** planned for 16.09.22. If you can't attend the meeting then feel free to email us with ideas.

Our Co-op community fund has already raised **£1030.21** so please continue to support this by nominating us as your charity and swiping your co-op card when you shop there.

On Wednesday 14th September

recycle **YOUR CLOTHES,** **SCHOOL UNIFORMS,** **COATS AND WELLIES**
