

November 2022

Dear Parents and Carers

As you are all aware food prices have been increasing steadily for months now. Many prices by 15/20% or in some cases even more.

WSM are committed to feeding our children well, using fresh ingredients, cooked from scratch wherever possible. It is with this in mind and to ensure we can continue to do so that from 1st January 2023 the cost of a school meal will increase to £2.41. An increase of only 6p per day/30p per week and increase of just 2.5%

I am sure you will agree that this is still great value for money for a healthy, 2 course lunch and we thank you for your continued support.

Yours sincerely

Julia Hallett
